On Tuesday, **April 30, 2019**, the Oregon Facilities Authority ("OFA") will hold an informational session for nonprofits and banks about OFA's "Small Nonprofit Accelerated Loan Program" ("SNAP Loans"), as well as OFA's other bond programs. The meeting will be held at **Cascade Health, Deschutes Conference Room, 2650 Suzanne Way, Suite 200, Eugene, Oregon 97408. .**

The SNAP Loan program allows §501(c)(3) nonprofits to lower the cost of financing through bank loans for the construction, purchase or remodeling of their facilities. A nonprofit organization works closely with a bank and OFA to arrange a SNAP Loan. Some examples of SNAP Loan borrowers include Greenhill Humane Society and SPCA (\$2,150,000) and St. Vincent de Paul Society of Lane County (\$8,500,000).

The informational session will begin at **3:30 PM** and will last approximately an hour and half. The discussion will focus on the benefits of the program for nonprofits and the structure / requirements of the program. OFA's Executive Director will answer questions during and after the presentation.

Nonprofit and bank representatives are welcome and participants should feel welcome to bring guests, such as nonprofit staff or board members.

Anyone interested in attending the program to learn more about SNAP Loans should contact Nikki Pham at 503-802-5713 or ofa.nikki@tonkon.com to reserve seats at the presentation.

We look forward to seeing you there!
